REFUGEES (IRELAND) GRANTS.

I. SUPPLEMENTARY ESTIMATE of the Amount required in the Year ending 31st March, 1923, for the payment of Grants to Refugees from Ireland for the RELIEF OF DISTRESS.

Ten Thousand Pounds.

II. HEAD under which this Vote will be accounted for by the IRISH OFFICE.

GRANTS TO REFUGEES ...	£ 10,000	£ 20,000	£ 10,000
The total Original Estimate 1922-23 (H.C. 85) for Refugees (Ireland) Grants was ...	£ 10,000		
Add—Sum now required...	£ 10,000		
		TOTAL ...	£ 20,000

Note.—The sum of £10,000 originally placed at the disposal of the Irish Distress Committee, to be used in cases of real and urgent distress amongst refugees from Ireland where the reasons for leaving Ireland were considered to be adequate, has been found to be insufficient to meet the needs of refugees. The grants made by the Irish Office on the recommendation of the Committee amounted to £11,515 up to the 31st October, 1922, and a sum of £3,000 has been advanced from the Civil Contingencies Fund. A sum of £3,000 from this Vote will be required to make repayment to that Fund. In some cases the grants are recoverable from the recipients. The Provisional Government has undertaken to recoup the Exchequer for the net expenditure on this service. Any sums received on these two accounts will be paid into the Exchequer as Extra Receipts.
